MEMORANDUM FOR: INF Interdepartmental Group

FROM: [redacted]

25X1

SUBJECT: Status of Soviet INF Systems

1. The attached report is the third in a continuing series that will be issued monthly. It provides an intelligence assessment of the status of the Soviet missile systems and related equipment accountable under the recently-signed Intermediate-Range Nuclear Force (INF) Treaty. This report was prepared by the National Photographic Interpretation Center and has been coordinated throughout the Intelligence Community. Information on the status of Soviet forces and relevant activity acquired during February 1988 is emphasized. [redacted]

25X1

2. The intent of these monthly intelligence reports is to ensure that appropriate US policy organizations and Congressional Intelligence Committees are apprised of relevant Soviet activities related to accountable INF missile systems during and after the ratification process. If recipients of this report have any questions or comments on its contents or format, please direct them to me at [redacted]
